

Leaf Stamping.

You will need:

- A variety of leaves
- White paper
- Paint (water based)
- Paint brushes
- Newspaper and old shirts/aprons (to protect surfaces and children from paint)

1. Position leaf facing upwards and paint the entire surface.
2. "Stamp" the leaf by pressing the painted side onto a piece of paper.
3. Remove the leaf to reveal the print.
4. Add more leaf stamps in different colors, shapes
5. Hang or leave on a flat surface to dry.
